

## **FIRST AID EVENING AT COOMBEFIELD VETS 1st March 2016 at 6:30 pm**

Donna Mace RVN is hosting an evening for clients who want to know a little about what 1st aid they can do on their dog in an emergency and how to do it. The cost of the evening lecture is £5 for clients with animals registered with us (£7.50 for visitors that are not clients)

What the evening will cover

- What is “normal “ for your dog
- What signs to look out for
- How to do a 1st aid assessment
- Wounds and bleeds
- What can YOU do – practical bandaging
- And lots more (well as much as we can cram into 2 hours)

Donna is one of Coombefield’s amazing nurses, she qualified in 1998, she has been training student nurses for over 15 years, She was a lecturer at Bicton College and has been presenting evenings on first aid to the public for over 10 years.

Places are limited to 14 people only as there is a practical part of the evening (please don’t bring your dog – we will practice on stuffed toys!) It will be on a 1st come 1st served basis but don’t worry – this is going to be a regular thing so if you don’t make it this time there will be another opportunity.
